Department of Energy
Washington, D.C. 20585

JAN 28 1981

MEMORANDUM FOR: Federal Energy Managers

SUBJECT: Report to The President on Federal Transportation Conservation Progress

On July 23, 1981, the President directed Executive Departments and Agencies to take specific actions toward furthering energy efficiency in the Federal Government's transportation sector. The President also requested a final report on these Federal actions to be provided in January 1981.

A copy of the Report to the President on Federal transportation conservation efforts is enclosed for your reference. Attached are the results of Federal Employees' and agencies participation. For additional copies please contact Paulette Coston at 252-9467.

Sincerely,

Paul Brumby
Acting Director
Office of Federal Energy Management Programs
